Good afternoon,

I was incorrect when I said that he is currently employed with us. I thought he still was but his internship ended in December of last year apparently. He is slated to start a new internship with us in 2 weeks, so he would be employed with us at that time. Any updated information that you receive regarding the investigation would be appreciated. Thank you so much and have a wonderful evening!

Advanced Forensic Interview Trainings

The Advanced Forensic Interview Training (AFIT) is a four-day (32 hour) experiential course that teaches investigators how to forensically interview both children and adults. **It is open to DCS Investigators, Law Enforcement Detectives, Designated Forensic Interviewers, Tribal CPS, and Prosecuting Attorneys.**

Through videos, lecture, large group exercises, and small group exercises, AFIT prepares investigators to interview victims or witnesses of crimes **including child physical abuse, child sexual abuse, adult sex assault, sex trafficking, and domestic violence.**

Next training: May 11-14, 2020

Application deadline: March 27, 2020

Jim,

Here is the preliminary analysis of the people mentioned in the response to non-uniform interrogatories. Let me know if you need further follow up information, I am happy to help out.

I am not sure if you are aware, but Leslie Jones was terminated from the Navajo County Sheriff's Office for lying during the civil investigation of Mr. Hunt. This was validated through a polygraph examination, wherein she admitted to our polygrapher that she was not fully truthful with Mr. Sabroske, our investigator, and she purposely lied to protect Mr. Hunt. She ultimately appealed the termination to the Navajo County Disciplinary Action Review Committee and they upheld her termination. I don't believe she would help Navajo County in any way and I believe she would back Mr. Hunt.

Darrin Foshee-he was Mr. Hunt's supervising sergeant when Mr. Hunt resigned. Sgt. Foshee was the subject of disciplinary action for his failure to adequately supervise Mr. Hunt. His recommended discipline was going to be a demotion, but he resigned before it went into effect. At the time of his resignation, he was a personal friend of Mr. Hunt. I also believe he has hostile feelings towards the Sheriff's Office.

Commander Ernie Garcia is still employed with the Navajo County Sheriff's Office as the Jail Commander. In speaking with Commander Garcia, he indicated he does not recall having a conversation with Mr. Hunt about not speaking to Sylvia Allen. Commander Garcia also stated that if he did not make a record of it in Mr. Hunt's personnel file, it probably didn't happen. He indicated no such notation exists.

Lt. Randy Moffitt-Lt. Moffitt has been promoted to the Chief Deputy at the Navajo County Sheriff's Office. He is available for discussion about his involvement in this matter.

Deputy David Cole has been promoted to sergeant at the Navajo County Sheriff's Office. He is available for discussion about his involvement in this matter.

Sgt. Burtora-Sgt. Butora is still a sergeant with the City of Show Low Police Department. He is no longer overseeing the MCAT South Team, but is the sergeant overseeing the City of Show Low's Criminal Investigation Division. He is available for discussion about his involvement in this matter.

Asher and Brandt:

I am attaching a long-awaited set of responses to written questions I posed to the plaintiffs long ago. I am disappointed in the responses to interrogatories 1, 2, 3, 4, and 14 and not only expressed that to the lawyers, but gave them until close of business Wednesday to provide complete answers, or be prepared to get the Judge involved.

In any event, I would still like both of you to take a look at all of the responses and let me know if you have any comments or observations worth sharing with me. I am wondering if some of the people he refers to in response to some of the written questions will back up his description of events.

Good morning Dan. We would like to schedule polygraph exams on two employees in regards to a Sexual Harassment investigation. Unfortunately one of the employees has turned in his resignation to accept a position with DOC. With that in mind, we would need the exams scheduled later this week (Thursday or Friday) or next week. We would not bring them to Flagstaff in the same vehicle so their appointments do not need to be in consecutive order.

Give me a call or e-mail. Thank you,

Importance: High

Good morning Dan. We would like to schedule polygraph exams on two employees in regards to a Sexual Harassment investigation. Unfortunately one of the employees has turned in his resignation to accept a position with DOC. With that in mind, we would need the exams scheduled later this week (Thursday or Friday) or next week. We would not bring them to Flagstaff in the same vehicle so their appointments do not need to be in consecutive order.

Give me a call or e-mail. Thank you,
Cheryl

Would you like us to prepare the Orders to attend the polygraph? We'll have the template and must give the 24 hours' notice so you'd need to speak with her when she comes on duty at noon on Wednesday. If she doesn't change her story, you can give the notice to her at that time.

We can have Sanchez served by a deputy. Would that work?

Hi Donna and Chief-

Here is the poly report for Kirk Christensen. He did not pass and disclosed that he lied during the polygraph. He also admitted to trying to manipulate the test to ensure he passed.

In addition to this, he had some disclosures that raised red flags in regards to touching children for his sexual pleasure and masturbation at his places of employment. Let me know if you have

questions on this one. I'll send you both results of the poly's tomorrow when the reports are done. Thanks!

We use Dan Caputo out of Flagstaff, AZ. We haven't received any complaints about him from the Sheriff's office. I've used him in discipline proceedings and he does well as a witness.

Hi Donna and Chief-

Here is the poly report for Kirk Christensen. He did not pass and disclosed that he lied during the polygraph. He also admitted to trying to manipulate the test to ensure he passed.

In addition to this, he had some disclosures that raised red flags in regards to touching children for his sexual pleasure and masturbation at his places of employment. Let me know if you have questions on this one. I'll send you both results of the poly's tomorrow when the reports are done. Thanks!

Good evening Lt. and Chief-

Here is the poly report for Lori Gardner. As you suspected, she was deceptive throughout your investigation. She failed the polygraph and ONLY afterwards admitted to lying throughout the investigation in regards to knowing if she fired her Taser and telling her staff to cover up for her. She also admitted to falsifying her subsequent reports, altering her employees report and lied during her IA to Lt Perkins.

Please let me know if you have any questions or concerns. Thanks!

I am open that day so coming to Holbrook is not a problem; however, it will save the County money for me to testify telephonically. Let me know which you prefer.

Dan,
Yes, I did get a chance to review the video. Her comments were very damaging. I also noticed she changed her story from the beginning of the interview to the end. In the beginning she stated she was 9 honest with Keith, and then at the end she stated 7.5. If it was simply remembering all the details, she wouldnt have changed that number. Also, she admitted to covering up for Mr. Hunt, but then recanted her statement when you pressed her about why she felt Mr. Hunt would retaliate. What are you thoughts on that statement?

Hey Brandt,

There are two Jones videos that I sent via drop box to Cheryl. I have attached the charts for Jones's test. Please let me know if you need anything else. I will be on vacation until Tuesday. The only thing to add for disclosure is the test type for the specific issue on Jones was a Utah 3. I failed to document that in the report.

Thanks!

Thanks Brandt, you as well. The last 5-10 minutes of video 2 are the most beneficial for Jones. I'll be back in the office on Tuesday.
Thanks!

I think it makes a lot more sense for Coco to do both hearings because they arose out of the same investigation. But I will give Morgan a call if you want me to.

The DAR might want to slow down a bit in setting these matters until they have counsel lined up and availability of counsel confirmed to avoid these problems.

Jason,

Do you have anyone else that could cover on September 3, 2014 at 1:00 pm? The DAR set the hearing for this date and time already, and sent out notices. I would hate to have to continue the matter, if there was any possibility of getting someone else there.

Mr. Clark,

I will not be able to physically attend a hearing on September 3rd as I have out of town work already scheduled that is not practical to be rescheduled. I will be available via teleconference if possible. I have provided testimony in the past via teleconference on employment hearings for Coconino County and Apache County. I also have out of town work scheduled on September 29th; however, I can move those appointments to another day so I can attend the hearing for Hunt. I will be sending my work materials relating to Jones out tomorrow. Are we still on for a teleconference tomorrow at 1:30?

Thanks

Mr. Clark,

I will not be able to physically attend a hearing on September 3rd as I have out of town work already scheduled that is not practical to be rescheduled. I will be available via teleconference if possible. I have provided testimony in the past via teleconference on employment hearings for Coconino County and Apache County. I also have out of town work scheduled on September 29th; however, I can move those appointments to another day so I can attend the hearing for Hunt. I will be sending my work materials relating to Jones out tomorrow. Are we still on for a teleconference tomorrow at 1:30?

Thanks

Greetings,

Leslie Jones has appealed her termination with the Navajo County Sheriff's Office. The date for Ms. Jones appeal is September 3, 2014 at 1:00 pm. Are you available to appear at this date and time?

At this point, I am anticipating calling the following individuals to testify, Chief Molesa, Commander Garcia, Keith Sobraske, and Dan Caputo. I have already contacted Mr. Sobraske and Mr. Caputo to see if they are available for this date.

Also, Tim Hunt's appeal has been set for September 29, 2014 at 9:00 am.

Please let me know your thoughts or questions.

Don,

I am sure you are aware that the documents and recordings you are providing Navajo County is time sensitive and I have to get them to opposing counsel before Friday afternoon. I know that we discussed sending them snail mail, but thought we might be able to use dropbox instead. I am not sure if you are familiar with this program, but Cheryl Harris, our Office Manager, is proficient at this valuable tool. I was hoping you could work with her, to place all the information we are receiving from you in dropbox, and we'll pull it to our server. She can grant you access to our dropbox account, and walk you through any issues that might arise. I am hopeful, with this feature, we can have all the documents and recordings before the end of business today. Please let me know if this is possible. Thanks again for all your help.

Dear Mr. Clark,

Attached please find our notice of representation on behalf of Officer Hunt and our 38-1101 request. We will be happy to accept the documents as a thumb drive or CD-Rom to avoid the County incurring a cost for voluminous papers.

Good afternoon Brandt,
I received your voicemail, but I am stuck in polygraphs until about 5:30 today. I am in Phoenix now and return tonight. I can compile these items either tomorrow or Thursday. Most of it I can scan and email, however, the interview video is two hours and will most likely have to be snail mailed. Can I call you tomorrow to discuss?
Thanks

NAPA Members,

For those of you that missed yesterday's meeting I have attached a few notes. These were decisions made from the group to further the NALETA academy.

Our next meeting is June 14th in St. Johns at 10am. At that meeting we will have a final list of instructors. As you can see from the notes, lead instructors were selected and they will be responsible for putting together their best choices of instructors for each class and getting it to Stuart Bishop.

If you have a subject matter expert you would like to see instruct please submit a short bio to the lead instructor for that topic for consideration.

Thank you all for attending,

Randy Weems
