PURPOSE AND SUMMARY

H.R. 2213, the Anti-Border Corruption Reauthorization Act of 2017, provides waiver authority to the Commissioner of U.S. Customs and Border Protection (CBP) as an additional method to reduce the current staffing shortage that currently exists for all of the law enforcement positions covered by the polygraph examination requirement.

Three, narrowly tailored exemptions provides discretion to the Commissioner of CBP to waive the polygraph for current State and local law enforcement officers who have already passed a polygraph examination, Federal law enforcement officers who have already passed a stringent background investigation and veterans with at least three consecutive years in the military who have held a clearance and passed a background check.

These exemptions are purely discretionary, not mandatory. If there is something in an applicant’s history, or background that causes CBP concern, then the Commissioner would be encouraged to use the polygraph exam to resolve those questions.

These small changes can provide CBP with immediate relief so that they are able to quickly, yet judiciously, hire officers and agents from a pool of applicants that already maintain the public’s

trust and put their lives on the line for our security and safety on a daily basis.

BACKGROUND AND NEED FOR LEGISLATION

U.S. Border Patrol agents and Office of Field Operations officers are, at the end of the day, the most important border security resource we have.

All of the technology and infrastructure deployed along the southern border is useless if we do not have a well-trained agent or officer present to make an arrest, interdict a drug load, screen cargo from a country of concern or speed legitimate transit through a port of entry.

However, CBP is critically understaffed and well below its congressionally mandated staffing levels by more than 1,000 Officers and 1,800 Border Patrol Agents. Even with a recent push to hire more officers and agents, the process is slow and arduous.

We are simply losing ground every single month, and there is no end in sight as we continue to lose agents and officers through attrition, without the ability to quickly hire new ones. At the current hiring rate, approximately 150–200 applicants go through the process in order to hire one agent or officer. This means CBP needs to have hundreds of thousands of people apply just to meet their current needs. Hiring more agents and officers will boost our national security and bring good jobs to our local economy.

The Anti-Border Corruption Act of 2010 requires that CBP law enforcement applicants undergo a pre-employment polygraph examination as part of a very long and laborious process. This is creating a substantial staffing bottleneck.

The Committee fully supports the Anti-Border Corruption Act of 2010 (Pub. L. 111–376) to make sure that everyone who applies to be a CBP Officer, a Border Patrol Agent, or an Air and Marine interdict officer is thoroughly vetted to ensure they are not at risk for corruption, or a cartel operative.

However, the Committee believes that these small changes will provide CBP with immediate, albeit temporary, relief so that they are able to quickly, yet judiciously, hire officers and agents from a pool of applicants that already maintain the public's trust and put their lives on the line for our security and safety on a daily basis.

CONGRESSIONAL BUDGET OFFICE ESTIMATE

House of Representatives, Washington, DC.

DEAR MR. CHAIRMAN: The Congressional Budget Office has prepared the enclosed cost estimate for H.R. 2213, the Anti-Border Corruption Reauthorization Act of 2017.

Enclosure.

H.R. 2213—Anti-Border Corruption Reauthorization Act of 2017

Current law requires U.S. Customs and Border Protection (CBP) to administer polygraph examinations to nearly all applicants for law enforcement positions. H.R. 2213 would broaden the criteria for waiving the polygraph requirement for certain applicants. Based on information from CBP, CBO estimates that implementing the bill would have no significant effect on the agency's spending to vet applicants for law enforcement positions, because the expanded exemption would probably not affect very many people.

Enacting the legislation would not affect direct spending or revenues; therefore, pay-as-you-go procedures do not apply. CBO esti-

mates that enacting H.R. 2213 would not increase net direct spending or on-budget deficits in any of the four consecutive 10-year periods beginning in 2028.

H.R. 2213 contains no intergovernmental or private-sector mandates as defined in the Unfunded Mandates Reform Act and would not affect the budgets of state, local, or tribal governments.

The CBO staff contact for this estimate is Mark Grabowicz. The estimate was approved by H. Samuel Papenfuss, Deputy Assistant Director for Budget Analysis.

STATEMENT OF GENERAL PERFORMANCE GOALS AND OBJECTIVES

Pursuant to clause 3(c)(4) of Rule XIII of the Rules of the House of Representatives, H.R. 2213 contains the following general performance goals and objectives, including outcome related goals and objectives authorized.

The general performance goal or objective of this bill is to expedite the hiring of Customs and Border Protection Officers and Agents to meet the economic and national security requirements of the Nation.

DUPPLICATIVE FEDERAL PROGRAMS

Pursuant to clause 3(c) of Rule XIII, the Committee finds that H.R. 2213 does not contain any provision that establishes or reauthorizes a program known to be duplicative of another Federal program.

CONGRESSIONAL EARMARKS, LIMITED TAX BENEFITS, AND LIMITED TARIFF BENEFITS

In compliance with Rule XXI of the Rules of the House of Representatives, this bill, as reported, contains no congressional earmarks, limited tax benefits, or limited tariff benefits as defined in clause 9(e), 9(f), or 9(g) of the Rule XXI.

FEDERAL MANDATES STATEMENT

The Committee adopts as its own the estimate of Federal mandates prepared by the Director of the Congressional Budget Office pursuant to section 423 of the Unfunded Mandates Reform Act.

PREEMPTION CLARIFICATION

In compliance with section 423 of the Congressional Budget Act of 1974, requiring the report of any Committee on a bill or joint resolution to include a statement on the extent to which the bill or joint resolution is intended to preempt State, local, or Tribal law, the Committee finds that H.R. 2213 does not preempt any State, local, or Tribal law.

DISCLOSURE OF DIRECTED RULE MAKINGS

The Committee estimates that H.R. 2213 would require no directed rule makings.

ADVISORY COMMITTEE STATEMENT

No advisory committees within the meaning of section 5(b) of the Federal Advisory Committee Act were created by this legislation.

APPLICABILITY TO LEGISLATIVE BRANCH

The Committee finds that the legislation does not relate to the terms and conditions of employment or access to public services or accommodations within the meaning of section 102(b)(3) of the Congressional Accountability Act.

SECTION-BY-SECTION ANALYSIS OF THE LEGISLATION

Section 1. Short Title.

This section provides that this bill may be cited as the “Anti-Border Corruption Reauthorization Act of 2017”.

Sec. 2. Hiring Flexibility.

Section 2 amends the Anti-Border Corruption Act of 2010 to provide discretionary authority for the Commissioner of U.S. Customs and Border Protection (CBP) to waive the pre-employment polygraph requirement for Federal, State and local law enforcement officers who have served with their respective agencies for not fewer than 3 years, are in good standing, and have completed a polygraph within 10 years.

In the case of Federal law enforcement officers, a Tier 4 or Tier 5 Federal background check must have been completed within the last 5 years. This section also allows the Commissioner to waive the pre-employment polygraph for members of the armed forces who have served not fewer than 3 years, has received, or is eligible to receive an honorable discharge, and has held a security clearance with in the last 5 years.

This waiver authority will end 5 years after the enactment of this Act.

The Committee is concerned with CBPs inability to reach its current authorized employment levels and the impact to the Nation’s security and economic growth causes by CBP officer and agent shortage. As a result, the Committee is providing this temporary waiver authority for these three, narrowly tailored exemptions to alleviate the immediate shortage of CBP officers and Border Patrol agents while changes are piloted to the polygraph examination. The Committee would encourage the Commissioner to require a polygraph examination for any applicant in the three waiver categories should any concerns be discovered in that applicant’s history or background. The explicit sunset in the bill is designed to provide Congress with the ability to weigh-in on the long-term necessity of this waiver authority.

Sec. 3. Supplemental Commissioner Authority and Definitions.

Section 3 amends the Anti-Border Corruption Act of 2010 to insert new sections 4, 5, and 6 as follows:

Sec. 4. Supplemental Commission Authority.

Section 4 amends the Anti-Border Corruption Act of 2010 to specify that while the Commissioner may waive the polygraph re-

quirement, no other aspects of the CBP hiring process shall be waived. The Commissioner is authorized to perform a polygraph examination on a waiver recipient if derogatory information on the applicant is discovered during the hiring process and a polygraph is needed to inform a hiring decision.

This section defines law enforcement officer, veteran, serious military or civil offense, and Tier 4 and Tier 5 background checks.

The Committee believes that while providing the Commissioner discretionary waiver authority for highly qualified, pre-vetted candidates, our intent is not to lower the standards for the hiring of a CBP agents and officers given the immense national security responsibilities of these law enforcement officers. Section 3 ensures that while a candidate may receive a polygraph waiver, the Commissioner continues to have the authority to require a candidate to complete a polygraph examination, and a higher-level background investigation to ensure that CBP applicants are appropriately and thoroughly vetted.

Though the Committee recognizes that this measure may improve, on a limited basis, CBP's ability to onboard new employees, there are larger challenges associated with the hiring process, most especially as relates to the polygraph program. The Committee intends to carry out oversight of the use of this waiver authority in addition to any reforms CBP may consider for the administration of its pre-employment polygraph examinations. The Committee is aware that CBP launched a pilot to test a revised version of its polygraph examination in late April 2017 with the intention of improving pass rates, shortening the overall time needed to administer the polygraph, and potentially address concerns about how these polygraphs are administered. The results of this pilot, any future pilots to test variations of the polygraph, as well as any subsequent changes to CBP's hiring process will be closely monitored by the Committee to ensure the integrity and intent of thoroughly vetting applicants for CBP law enforcement positions.

Sec. 5. Reporting.

Section 5 mandates that CBP submit to the appropriate congressional committees, an annual report for the 5-years of the waiver program is authorized under this Act. The report must include the number of waivers requested, granted and denied, the reason for the denial, and the final outcome of employment status. The report must also include the number of polygraph waiver applicants that had a polygraph waiver granted and were subsequently polygraphed due to derogatory information being discovered during the hiring process, as well as the final employment determination of those applicants.

The Committee believes that these reports will enable the Committee to assess the use and frequency of the waiver authority provided in the bill.

Sec. 6. Definitions.

Section 6, of the revised Anti-Border Corruption Act of 2010, defines terms used in this act including: "law enforcement officer", "veteran", "serious military or civil offense", "Tier 4", and "Tier 5".
