Miss Susan Ann Wright

Dear Miss Wright:

This is to advise you of the status of your application for employment with the Federal Bureau of Investigation.

Although your desire to become affiliated with this Bureau is appreciated, based on the results of your polygraph examination on 11/01/1999, we are unable to further process your application. As you are aware, all applicants for FBI employment must successfully pass a pre-employment polygraph examination. The results of your polygraph examination were not within acceptable parameters.

I know that this decision will be disappointing to you, but trust that you understand the FBI's position in this matter.

Sincerely yours,

Patrick M. Maloy, Chief
Bureau Applicant Employment Unit
Administrative Services Division
