RE: Verification – Eric Holden

To Whom It May Concern:

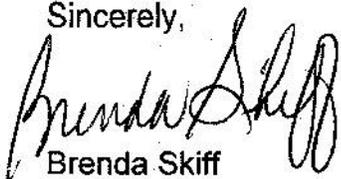

The letter is to certify that the Texas State Board of Examiners of Psychologists has no records, which indicate that the above-referenced person(s) is currently licensed as a psychologist, a psychological associate, or a licensed specialist in school psychology in the State of Texas.

Please note that pursuant to the Psychologists' Licensing Act, Section 501.004(a)(1), Applicability, states that this chapter does not apply to: the activity or service of a person, or the use of an official title by the person, who is employed as a psychologist or psychological associate by a governmental agency or regionally accredited institution of higher education if the person performs duties the person is employed by the agency or institution to perform within the confines of the agency or institution. This means that a person employed by an exempt facility may use the title of psychologist and not be in violation of state law.

If the person in question is not employed by an exempt facility, and the person is holding himself out as a psychologist, psychological associate, or licensed specialist in school psychology, you may wish to contact the Enforcement Division of this Board at (512) 305-7709. We also suggest that you check with the Licensed Professional Counselors Board, the Licensed Marriage and Family Therapists Board, and the State Board of Social Worker Examiners. These Boards are part of the Texas Department of State Health Services.

Should you have any additional questions, please feel free to call the Board office.

Sincerely,

A handwritten signature in black ink, appearing to read "Brenda Skiff". The signature is written in a cursive style with a large, looped initial "B".
